FOI request made in Aug- £9000 paid to recruitment agent in 2022 to fill PDSO vacancies. How much has the above tweet cost?

OUR RESPONSE TO THE INFORMATION REQUEST UNDER THE 2002 ACT

There were no costs involved in the tweet. We are handling this recruitment ourselves without external support and the positions were advertised on our own websites at no cost.

As explained in our adverts we are growing our team of criminal defence solicitors and business support staff due to unprecedented levels of demand as the justice system recovers from the pandemic.
