Dear Sirs

(Appellant) v De La Salle Brothers (Respondents) and others and another (Respondent) (Scotland)

I enclose counsel's fee notes which have now been provisionally assessed.

If you find the figures allowed acceptable please complete the enclosed allocaturs and return to this office. You must also send a cheques for the Assessment Fee calculated at the rate of 2 ½ % of the allowed sum (including VAT) and made payable to **The Supreme Court of the United Kingdom**. In an English or Welsh case at this stage a certificate of taxation would be issued as the LSC would not have been involved but my understanding here is that SLAB are at liberty to object to the outcome of the provisional taxation. I have copied SLAB into this and would be obliged if counsel and/or SLAB could confirm the position.

Yours faithfully

Ian Sewell
