

Legal assistance fees paid to firms - top 20 comparison

Notes
 This table shows the 20 highest-earning solicitors' firms between 1 April 2022 and 31 March 2023 by the legal assistance fees paid to them. The fees paid to the same 20 firms in the last two financial years are also shown. Fees paid comprise solicitor and solicitor-advocates fees. The list of highest earning firms will change each year. Therefore, there is also a like for like comparison made with the earnings of the top 20 firms in each year. Payments include electronic payments transferred to the firms' bank accounts between those dates. In some cases, payments may have been returned to us, and any such amounts put through our accounts system between those dates have been deducted. Values are rounded to the nearest £1000.
 Where applicable monies paid back to SLAB in respect of audit restitution have been deducted in calculating the legal assistance fees shown.
